There were many rules in the house that
daddy lived in one of the big ones was
that no one was allowed to play with the
computer or printer unless mommy or
babby said it was all right.

& Daddy loved to use the printer because
mommy would make up pictures for him
on the computer he would then print them
off and color them.

One day when mommy was busy with
something else daddy decided that he
wanted to make some pretty pictures
with the printer he knew that he wasn't
supposed to touch it without permission
but he just couldn't wait
